

# Survivor

## Getting Started:

1. To open *Survivor*, double-click on the *Survivor* template.

## Creating the Game:

1. The game will launch, and you will be presented with the first slide of *Survivor*.
2. Slide 1: Title slide, change the word “subject” Survivor to “Math Survivor” or other title that you choose.
3. Slide 2: Click in the cell and type in the different tribe names that you have created.
4. Slides 3-6 are directions type slides, double-click in the text boxes to change them if you need to.
5. Slides 7-78 fill in the Question, Answer, and Challenge slides by double-clicking in the text box.

## Playing the Game:

From the menu bar, go to **Slideshow, View show.**

**Click** one time to go slide to slide.
